

SEAN MINOR.

34th Annual Restaurant Poll

Wine & Spirits

What wines are up and what's down in the nation's top dining rooms?

Every January, Wine and Spirits poll the top restaurants across the US about wine sales, tracking trends and compiling lists of most popular bottles. In order to put the statistics into context, they interview dozens of the sommeliers who fill out the poll. Here are the featured Sean Minor wines in the Spring 2023 issue.
